RE: Notice of Change in Water Right Ownership
Water Rights: 27-12159

Dear Sir/Madam:

The Idaho Department of Water Resources has recently received your Notice of Change in Water Right Ownership ("ownership change") for the water rights listed above. An initial review of the ownership change indicates that additional documents must be provided. According to the notes on the file the department contacted you on November 5, 2012 to request the filing fee of \$25.00 and a copy of your recorded Warranty Deed, the deed received with your application is not a copy of the recorded document. Please provide the filing fee and a copy of your 'recorded' Warranty Deed at your earliest convenience.

The appropriate filing fee associated with your ownership change is \$25.00. This is based on one water right included in the ownership change and a fee of \$25.00 per water right (no split required). Please refer to Idaho Code § 42-248 for information regarding the filing fees and late fees associated with ownership changes.

Because the Department cannot process the ownership change without proper documents/fees, we will hold any action on your ownership change pending receipt of the necessary documents/fees. If we do not receive the requested documents/fees within 30 days, we will return your ownership change and all attachments and will refund any fees paid.

Please feel free to contact me if you have any questions.

Sincerely,

Jonie Barg
Technical Records Specialist
