RE: Notice of Security Interest
Water Rights: 34-369, 34-370, 34-182, 34-381A & 34-2379F

Dear Sir/Madam:

The Idaho Department of Water Resources has recently received your Notice of Change in Water Right Ownership ("ownership change") for the water rights listed above. An initial review of the ownership change indicates that additional documents must be provided. According the notes on the file the department contacted you on October 31, 2012 to request a copy of the 'recorded' Mortgage, as of today the department has not received a copy of document requested. Please provide a copy of the 'recorded' Mortgage at your earliest convenience.

Because the Department cannot process the Security Interest without proper documents/fees, we will hold any action on your ownership change pending receipt of the necessary documents/fees. If we do not receive the requested documents/fees within 30 days, we will return your Security Interest and all attachments and will refund any fees paid.

Please feel free to contact me if you have any questions.

Sincerely,

Jonie Barg
