RE: Notice of Change in Water Right Ownership
Water Rights: 73-2160, 73-12126, 73-12134, 73-10045, 73-12129, 73-12137, 73-12124, 73-12131 & 73-12141

Dear Sir/Madam:

The Idaho Department of Water Resources has recently received your Notice of Change in Water Right Ownership ("ownership change") for the water rights listed above. An initial review of the ownership change indicates that additional documents must be provided. According to the notes on the file we are waiting a copy of the rerecorded Warranty Deed, the notes on file also indicate we have been in contact with Alliance Title and Escrow in Salmon in order to get a copy of this deed, so we are sending them a copy of this letter.

Because the Department cannot process the ownership change without proper documents/fees, we will hold any action on your ownership change pending receipt of the necessary documents/fees. If we do not receive the requested documents/fees within 30 days, we will return your ownership change and all attachments and will refund any fees paid.

Please feel free to contact me if you have any questions.

Sincerely,

Jonie Barg
Technical Records Specialist
