RE: Notice of Change in Water Right Ownership
Water Rights: 74-2317 & 74-15209

Dear Sir/Madam:

The Idaho Department of Water Resources has recently received your Notice of Change in Water Right Ownership ("ownership change") for the water rights listed above. An initial review of the ownership change indicates that additional documents must be provided. According the notes on the file we are waiting for a quitclaim deed from Timothy and Diane Ray individually to the Ray Family Trust for a portion of the place of use of the above mentioned water rights before the ownership change can be completed without a split.

Because the Department cannot process the ownership change without proper documents/fees, we will hold any action on your ownership change pending receipt of the necessary documents/fees. If we do not receive the requested documents/fees within 30 days, we will return your ownership change and all attachments and will refund any fees paid.

Please feel free to contact me if you have any questions.

Sincerely,

Jonie Barg
Technical Records Specialist
