Water Right License

WATER RIGHT NO. 63-12577

5. This right does not authorize the diversion of water released for stream flow maintenance during the non-irrigation season under prior right 63-03618. When flow in the Boise River at the point of diversion is being maintained solely by releasing water under right 63-03618, the right holder shall cease diverting water or shall provide for storage water or some other source of water to be released into the Boise River to replace the amount being diverted.
6. Use of water under this right shall be non-consumptive.
7. Aesthetic use is for a continuous flow of water through an existing pond. This right does not authorize storage of water in the pond.

This license is issued pursuant to the provisions of Section 42-219, Idaho Code. The water right confirmed by this license is subject to all prior water rights and shall be used in accordance with Idaho law and applicable rules of the Department of Water Resources.

Signed this 23rd day of November, 2012.
