Remarks:Comments:

1. mholliday 11/21/2012 split right

Comment: Parent right 29-13881 split by ownership change into 29-14047 and 29-14048. Since the POU shape for 29-13881 did not appear to accurately reflect the tabular data, probably due to recent drift in the GCDB, the POU shapes for the split portions located in the NWSE of section 2 were moved slightly northward to better correspond to the aerial photography.
