RE: WATER RIGHT PERMIT NO. 75-7658-APPLICATION FOR AMENDMENT (For Licensing Purposes)

Dear Permit Holder:

The Idaho Department of Water Resources recently sent you an Application for Amendment to update your place of use and point of diversion so a license could be issued. Thank you for your timely response. However, it was discovered that the maximum diversion volume was inadvertently left off the application.

We are sending you an updated Application for Amendment, which includes the missing information. Please sign this amendment and return to IDWR in the enclosed envelope. No fee is required for this correction.

IDWR apologizes for the inconvenience. If you have any questions, please contact Jean Hersley at (208) 287-4942.

Sincerely,

Jean Hersley
Technical Records Specialist I
