RE: Permits subject to licensing 63-12548, 63-31344, 63-31376, 63-31377, 63-12565, & 63-12566

Dear Mr Mc Grew

Permits 63-12548, 63-31344, 63-31376, and 63-31377 are spring developments for stockwater use in the Louise Cr Road area southeast of Anderson Ranch Reservoir. Permits 63-12565, & 63-12566 are stockwater ponds for roughly 2.5 acre-ft each, again in that same area.

I would like to schedule a time to meet with you at the property to confirm the development and GPS the spring and pond locations.

I am currently available after Aug 27 and into September to meet with you.

You can reach me at the number listed above or at the e-mail shown below. I look forward to working with you to finalize the licenses for these rights.

Sincerely,

Kelly K Christensen
Sr Water Resource Agent
Western Region
