RE: RENTAL OF WATER RIGHT NO. 75-7073 FROM THE WATER SUPPLY BANK

Dear Renter:

We received your payment of \$506.80 for the rental of 362 acre-feet of water for the 2013 season. However, your current rental agreement only extends through December 31, 2012, and your current lease only extends through January 29, 2013.

We need to know what to do with the funds received. If you wish to renew your lease and rental, please complete and mail the enclosed lease and rental application forms. Your lease application needs to be accompanied by a \$250 lease application fee, which was instituted in April 2011. I will review your applications and, if the rental renewal is approved, will use the \$506.80 toward the 2013 rental fee. Be advised rental fees are increasing to \$17 per acre-foot in 2013, so it is likely your rental fee will increase with a new approval. For example, if your rental volume is the same, the new annual fee will be \$615.40.

If you mailed the check by mistake, please let me know and I will make sure we refund the money. Because of our fiscal procedures, we had to receipt your check. I have enclosed a copy of Receipt C096222 for your records.

You can reach me at (208) 287-4907 or at Monica.VanBussum@idwr.idaho.gov if you have any questions.

Sincerely,

Monica Van Bussum
Sr. Water Resource Agent
