CONDITIONS OF APPROVAL

1. Internal domestic use and heating use are for 1 home.
2. Place of use is located at #5 Corgi Lane.
3. If the water district is re-activated &/or combined with another water district, use of water under this right will be regulated by a watermaster with responsibility for the distribution of water among appropriators within a water district. At the time of this approval, this water right is within State Water District No. 65L, Warm Springs Creek.

State of Idaho
Department of Water Resources
Water Right License

WATER RIGHT NO. 65-13050

4. Upon notification, the right holder shall maintain a measuring device and lockable controlling works of a type approved by the Department in a manner that will provide the watermaster suitable control of the diversions.
5. The following rights are diverted through points of diversion described above: 65-13050 & 65-23504.
6. The issuance of this right does not grant any right-of-way or easement across the land of another.
7. Water used under this right when discharged into a natural channel or subsurface system shall meet Idaho Water Quality Standards.

This license is issued pursuant to the provisions of Section 42-219, Idaho Code. The water right confirmed by this license is subject to all prior water rights and shall be used in accordance with Idaho law and applicable rules of the Department of Water Resources.

Signed this 29th day of October, 2012.

JOHN WESTRA
Western Regional Manager
