RE: Scheduling Field Exam for Water Right Permit No. 65-22884

Dear Mr. Flake:

We are planning to conduct water right examinations in the vicinity of the above-referenced permit **during the weeks of July 16 and July 23, 2012**. An examination is needed to verify the water use in order to issue a water right license.

The above-referenced permit authorizes irrigation use of unnamed stream water for up to 3.7 acres.

Boise County tax lot information indicates you may no longer own the place of use property associated with this permit. A water right permit is personal property of the permit owner. It remains personal property unless it is assigned to a new owner. **If you no longer own the place of use property, I respectfully request you complete and submit the enclosed Assignment of Permit form with the applicable \$25 processing fee within the next 10 days.** If an assignment is not received, we will work with the new land owner(s) to complete licensing process. **Please call me at 208-334-2190 by July 19, 2012 if you have any questions.** I appreciate your attention in this matter and I look forward to hearing from you.

Sincerely,
