RE: Water Supply Bank Lease for 71-64A and 71-69

Dear Lessor:

This letter is to update you on the status of your water rights, 71-64A and 71-69. These water rights were leased into the Water Supply Bank on May 1, 2009. **Portions of your water rights are considered leased into the Bank, and should remain unused, until you release them from the Bank.**

We would appreciate confirmation of the exact acres that remain leased to the Bank. To that end, I have enclosed a map of your place of use. Please draw an outline around the acres that should remain leased to the Bank and return it to me at this office within 14 days.

If you wish to leave your water rights leased to the Bank, and unused, you do not need to do anything. To release your water rights from the Bank, go to the Department's website at www.idwr.idaho.gov, go to the Water Right Forms page and, underneath the Water Supply Bank section, download the Request to Release or Lease Term Extension form. Then complete the form and mail it to me at the address above. Please be aware your rights may not be available for immediate release.

Again, your water rights are considered leased to the Bank, and should remain unused, until you release them. Please contact me at (208) 287-4907 or Monica.vanbussum@idwr.idaho.gov if you have any further questions.

Sincerely,

Monica Van Bussum
Sr. Water Resource Agent

C: Allen Merritt – IDWR Southern Regional Manager

Water Right

71-64A and 71-69

IRRIGATION

The map depicts the place of use for the water use listed above and point(s) of diversion of this right as currently derived from interpretations of the paper records and is used solely for illustrative purposes. Discrepancies between the computer representation and the permanent document file will be resolved in favor of the actual water right documents in the water right file.
