PROTESTANT CITY OF STAR, CITY OF  
 MIDDLETON AND STAR WATER &  
 SEWER DISTRICT AND PARTICIPANT  
 CITY OF EAGLE JOINT INITIAL  
 STATEMENT

COME NOW, Protestant City of Star, City of Middleton and Star Water & Sewer District and Participant City of Eagle and here by submit their Joint Initial Statement.

1. **DOCUMENTS PRODUCED.** The parties have no response to the documents submitted. They speak for themselves. They have clarified some but not all issues.

2. **SCOPE OF HEARING.** The scope of the hearing is not clear because of questions regarding the Municipal Act, the IDWR's interpretation of the Act, and pending legislative changes to the Act. One major issue is the applicability of the information in the applications—which were filed in 2003. It will have been ten years since the filings and some of

the water rights have gone through significant changes at the SRBA. It is questionable whether the current filings are applicable, appropriate, or would comply with due process for those who are not parties. It would seem most reasonable to have updated applications submitted to give parties, the IDWR, and the public fair notice of the applications.

3. **RESPONSIBILITIES OF PARTIES.** Parties' responsibilities are as set forth in Idaho Code.

4. **DISCOVERY.** Discovery should be limited as much as possible and could be substantially less with updated, amended, or new applications.

5. **TIMETABLE.** The timetable depends on the scope of the hearing but it is unlikely a hearing could be accomplished before the fall 2013. The M3 hearing took about two and a half weeks and it involved matters much less complicated than IMAP.

Respectfully submitted this 14<sup>th</sup> day of November, 2012.

MOORE SMITH BUXTON & TURCKE, CHTD.
