**RE: APPLICATION TO LEASE WATER RIGHT NOS. 22-2260B AND 22-7005B TO THE  
WATER SUPPLY BANK**

Dear Lessor:

The Department of Water Resources has completed its review of your applications to lease the above-mentioned water right numbers to the Water Supply Bank. The offered water rights are accepted into the Bank in accordance with the attached Water Supply Bank Lease Acceptance. If you do not agree with the conditions of the Lease Acceptance and would like to withdraw your water rights from the Bank, you must contact the Department within thirty (30) days of receipt of this notification.

The rights will automatically be released from the Bank on **December 31, 2012**.

Additionally, your application indicated 56.5 acres were available for lease, including 8.5 acres in Section 35. However, looking closer at the acreage identified on the application grid indicated 4.9 acres were available. This appears to be a simple math error and the lease acceptance reflects a total lease of 52.9 acres. Contact me at (208) 287-4907 if you have any questions.

Sincerely,

Monica Van Bussum  
Sr. Water Resource Agent
