HAND DELIVERED

RE: Proof of Beneficial Use permit 22-13244

Enclosed is Proof of Beneficial Use for permit 22-13244 in the name of Teton Valley Golf Association c/o Hopkins Financial Services. We recognize this proof is late but is being filed within 60 days of the original proof date of September 1, 2012. Substantial evidence exists that development occurred prior to September 1, 2012 but difficulty in locating the responsible party, in this case Hopkins Financial, caused a second extension request to be filed instead of submitting proof in a timely fashion. I believe this late proof meets the criteria of section 42-218a 1., Idaho Code.

Please let me know if you have questions or if I can provide you with any additional information.

Yours truly,

A handwritten signature in black ink, appearing to read "David B. Shaw".
