Monica,

The new POU of leased acres to the Idaho Water Supply Bank from water rights 36-8402, 36-2430 and 36-8008 should be as listed in this table.
Will this email be sufficient to change the lease description for these water rights?

Hi Greg,

You can check your legal with the legal on the lease description. That's what we currently have as being leased.

Monica,

Transfer 77952 has recently been approved by IDWR. 36-8402, et al.

The newly created PPU has 26.9 acres leased to the Water Bank. Can you confirm that you have the correct POU identified for the lease agreement verses the newly approved place of use of all the water rights? Let me know what I need to do to update your records.

Thanks,

Greg Sullivan
