RE: WATER SUPPLY BANK LEASE FOR RIGHT NO. 63-33518

Dear Lessor:

Based on some additional information from our Western Regional office after the approval of Transfer 77020, we felt it best to issue a new Lease Acceptance document. This acceptance reflects the current terms of your lease.

To change the term of the lease or to release the rights from the Bank, you must submit a request in writing, along with all applicable fees, to the Department prior to the release date. Be aware your rights may not be available for immediate release if they have been rented.

Please review the conditions of acceptance listed on the Lease Acceptance, including #3 which says, "While a right is in the bank, **the lessor may not use the right** without approval of the department even if the right is not rented from the bank. Any violation of the terms of this lease may result in enforcement procedures pursuant to Idaho Code § 42-351 for illegal diversion and use of water and may include civil penalties pursuant to Idaho Code § 42-1701B."

Sincerely,

Monica Van Bussum
Sr. Water Resource Agent
