RE: Water Supply Bank Lease for 63-8513

Dear Lessor:

This letter is to update you on the status of your water right, 63-8513. Your water right was leased into the Water Supply Bank on September 21, 2006. **A portion of your water right is considered leased into the Bank, and should remain unused, until you release it from the Bank.**

We would appreciate confirmation of the exact 36 acres to remain leased to the Bank. To that end, I have enclosed a map of your place of use. Please draw an outline around the 36 acres that should remain leased to the Bank and return it to me at this office within 14 days.

If you wish to leave your water right leased to the Bank, and unused, you only need to send the map back. To release your water right from the Bank, go to the Department's website at www.idwr.idaho.gov, go to the Water Right Forms page and, underneath the Water Supply Bank section, download the Request to Release or Lease Term Extension form. Then complete the form and mail it to me at the address above. Please be aware your right(s) may not be available for immediate release.

Again, your water right is considered leased to the Bank, and should remain unused, until you release it. Please contact me at (208) 287-4907 or Monica.vanbussum@idwr.idaho.gov if you have any further questions.

Sincerely,

Monica Van Bussum
Sr. Water Resource Agent

C: John Westra – IDWR Western Regional Manager

Water Right

63-8513

IRRIGATION

The map depicts the place of use for the water use listed above and point(s) of diversion of this right as currently derived from interpretations of the paper records and is used solely for illustrative purposes. Discrepancies between the computer representation and the permanent document file will be resolved in favor of the actual water right documents in the water right file.
