

Idaho Department of Water Resources

MEMORANDUM

Date: October 12, 2012

File: T77877 Mickelsen

Subject: BLM Protest- Amendment of Amended Application

Transfer 77877 included 0.1 acres of BLM in T06N R38E Sec 34 NWNW. Once the Department received the protest, I amended the application which removed the 0.1 acre from the NWNW. I sent a copy of the amended application to Mr. Mickelsen for his approval. I received his authorization for the acreage change through an email (see below).

If you just took out the small corner that belongs to the BLM I do approve. Thanks for your efforts,

Don
