RE: Permit No. 22-13506

Dear Permit Holder(s):

Enclosed is a copy of the approved request for extension of time submitted in connection with the above referenced permit. The enclosed order extends the time within which to submit proof of beneficial use to **November 1, 2017**.

Please note that the department granted this extension based on evidence of litigation that was pending during the last development period. It is important that you work diligently toward the completion of this project during the construction period allowed because the department will not grant an additional extension based on good cause, according to Section 42-204(5), Idaho Code.

Section 42-248, Idaho Code, requires you or the owner of the water rights to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the department if you have questions.

Sincerely,

A handwritten signature in black ink that reads "Darla Block".
