RE: Application for amendment for water right #72-07549

Dear Sascha:

Water right permit 72-7549 was issued for the diversion of water from Squaw Creek into a steelhead pond within the SENE of Section 28, T11N, R17E. However, the pond was actually built within the NENE of Section 28, T11N, R17E. Because the place of use (the pond) is located in a different legal description than what was permitted, a licensing amendment is required.

Please initiate the interagency billing process for the applicable fee for amendment (\$100). The PCA is 34721 and the ABC code is C3TX. Please send the billing documents to IDFG Headquarters, Attention: Dr. Walt Poole, P.O. Box 25, Boise, ID 83707.

If you have any questions, please contact Mr. Tom Curet in the IDFG Region 7 office.

Sincerely,

A handwritten signature in cursive script that reads "Walt Poole".

Walt Poole
