CONDITIONS OF APPROVAL

1. Use of water under this right will be regulated by a watermaster with responsibility for the distribution of water among appropriators within a water district. At the time of this approval, this water right is within State Water District No. 11.
2. Domestic use is for 12 recreation properties and does not include lawn, garden, landscape, or other types of irrigation.
3. Spring water may only be diverted under this right when all downstream senior water rights on Copenhagen Creek, including water right 11-4047, are satisfied or when the flow of Copenhagen Creek does not reach the points of diversion of the downstream senior water rights.

This license is issued pursuant to the provisions of Section 42-219, Idaho Code. The water right confirmed by this license is subject to all prior water rights and shall be used in accordance with Idaho law and applicable rules of the Department of Water Resources.

Signed this 8th day of November, 2012.
