Re: Application for Permit No. 63-33692

Dear Ms. Minicucci:

The application referred above has been assigned to me for review and processing. There is additional information required before I can continue my analysis. Please provide the following:

1. There are many uses that may be included under the umbrella of a municipal use. Please confirm whether the municipal use proposed here will be part of the City of Boise public water supply and describe with specificity all of the uses of water proposed in this application for municipal use.
2. If the proposed place of use is a city park, provide the name of the park.

The application will be advertised after I receive the requested information. **The requested information is due in writing by November 27, 2012. Please provide the information, or a request to delay processing for up to six months, by the deadline. Failure to do so may result in the application being voided. Fees are not refunded for voided applications.** Please call me at 208.334.2190 if you have questions. Thank you.

Sincerely,

Vicky Music
