REQUEST FOR EXTENSION OF TIME

To provide additional time in which to submit proof of beneficial use for a water right permit

The Idaho Department of Water Resources will consider this form as a request that the permit holder(s) be granted an additional period of time under the provisions of Section 42-204, Idaho Code in which to complete development of a water right and file proof of beneficial use of water. There is a **FILING FEE** of \$50.00 to be included with this form when filed with IDWR.

Describe what work has been completed toward the development of this water right:

If no work has been completed, show "none".

The well is drilled, pump installed in well, high pressure pump installed, Recreation pond completed + filled, domestic + Commercial lawn irrigation installed + operating

Costing OVER 100K

The permit holder(s) has been unable to complete the remainder of the work for the following reasons:

We ran out of time this season to convert use of surface water from Lawyer Cr to sole use of well water. This spring we will make the final switch from the creek to the well.

Permit holder(s) request an extension to Nov. 01, 2015. See email received 10/30/12.
