Re: *W&H Limited Liability Company Notice of Change of Ownership – Water Right No. 63-2611A*

Dear Mr. Westra:

Enclosed please find a Notice of Change of Ownership executed by me on behalf of W&H Limited Liability Company, which is the owner of the above-referenced water right, having acquired it by conveyance from the former owner Mallard Farms. Also enclosed is a copy of the deed from Mallard Farms to W&H Limited Liability Company, the annual report filed with the Idaho Secretary of State for W&H Limited Liability Company indicating that I am a manager of the company, and a check in the amount of \$25.00 to cover the Department's filing fee.

I would appreciate it if the Department's records could be changed to reflect W&H Limited Liability Company as the current owner of this water right at the first opportunity.

Sincerely,

Gerald A. Waller
Manager, W & H Limited Liability Company
