RE: Water Supply Bank Lease for 61-7067

Dear Lessor:

This letter is to update you on the status of your water right, 61-7067. The water right was originally leased into the Water Supply Bank on July 28, 2003 and the lease was extended on December 7, 2006 to an indefinite status. **Your water right is considered leased into the Bank, and should remain unused, until you release it from the Bank.**

If you wish to leave your water right leased to the Bank, and unused, you do not need to do anything. To release your water right from the Bank, go to the Department's website at www.idwr.idaho.gov, go to the Water Right Forms page and, underneath the Water Supply Bank section, download the Request to Release or Lease Term Extension form. Then complete the form and mail it to me at the address above.

Again, your water right is considered leased to the Bank, and should remain unused, until you release it. Please contact me at (208) 287-4907 or Monica.vanbussum@idwr.idaho.gov if you have any further questions.

Sincerely,

Monica Van Bussum
