**Subject:** Water right Permit 63-33294

The permit is subject to field verification prior to the dept issuing the license. I am currently reviewing permits in your area and would like to gather the necessary information to complete the licensing process. I will need to visit the property to confirm the well location, pump information and irrigation system. I would like to schedule a time to meet with you or a representative at the property within the next two weeks.

The permit is located at the corner of Howe Rd and Arena Valley Rd.

You can reach me through e-mail or you can reach me by phone at
