RE: Water Right No's: 67-2200, 67-2204, 67-4504, 67-14020, 67-14018.

Dear Applicants:

Thank you for submitting the Notice of Change in Water Right Ownership. Our review of your notice indicates that additional documentation is required before we can process the change.

The required items are listed below.

- A plat map, survey map or aerial photograph which clearly shows the place of use and point of diversion for each water right and/or claim listed above (if necessary to clarify division of water rights or complex property descriptions).
- Original signatures and dates. I have enclosed the original Notice of Change in Water Right Ownership form to be signed, dated, and returned.

Because the Department cannot process this request at this time, we will hold any action on your notice pending receipt of the necessary documentation. If we do not receive the required documentation within 30 days, we will return your attachments and your notice will not be processed.

Thank you for your cooperation in this matter. If you have any questions, please contact me at (208) 334-2190.

Sincerely,

Rachel Sommer
Office Specialist II
Western Regional Office
