CONDITIONS OF APPROVAL

1. The use authorized under this right shall not exceed 13,000 gallons per day.
2. This project is known as Donkey Springs.
3. This right, when considered with all other rights common to the same grazing allotment, is limited to the quantity of water beneficially used by the number of stock within the allotment.
4. The water delivery system established in accordance with this notice shall be fully enclosed and shall be equipped with an automatic shutoff valve or a mechanism for returning unused water to the source through an enclosed system.
5. The right holder shall comply with all fish screening requirements of the Idaho Department of Fish and Game.

This license is issued pursuant to the provisions of Section 42-219, Idaho Code. The water right confirmed by this license is subject to all prior water rights and shall be used in accordance with Idaho law and applicable rules of the Department of Water Resources.

Signed this 5th day of November, 2012.
