Mr. Stearns,

I left you a voice-mail message earlier this afternoon. Personnel at Moffatt Thomas provided me with both your phone number and your email address.

I have been assigned to review the backfile and if possible issue a license for permit 37-8575A which is held by Sinclair Oil Corporation for commercial use (snowmaking). I have read the Beneficial Use Field Report and I will need clarification of some of the water right elements related to this use.

The purpose of this short email message is to provide you with my email address and other contact information.

Respectfully,

Michele Edl

Mr. Campbell,

I have been assigned to review the backfile and if possible issue a license for permit 37-8575A which is held by Sinclair Oil Corp for commercial use (snowmaking). I have read the Beneficial Use Field Report and I believe that I will need clarification of some of the water right elements related to this use.

The permit backfile shows Mr. Peter Stearns as the director of snowmaking in 1999. Is Mr. Stearns still the most relevant contact? If not, would you please assist me by forwarding this email to the preferred contact or by providing me with his contact information?

Thank you.
