Re: Permit to Appropriate Water, 37-22769
Robbins Trust and O'Connor Trust

Dear Allen:

I have reviewed the Preliminary Order for this permit and reviewed the revised printouts of water rights 37-21386 and 37-21793 as a result of the mitigation required for the permit.

A couple of small typo's:

1. O CONNER should be O'CONNOR
2. Condition 7, place of use for mitigation acres should be NENW ✓
Section 32, not Section 16
3. EAST FORK WOOD RIVER should probably be EAST FORK
BIG WOOD RIVER

cannot change due to computer restrictions

meets date entry standard.

I assume this preliminary order will become final on November 2, 2012 and the proof will be due on November 1, 2017.

Thanks for all you help in getting this application processed.

Sincerely,

Charles E. Brockway, P.E., Phd.
