RE: Natural Guardian Transfer # 78048 & 78046

Mr. Marchant;

On September 5, 2012 you and James Cefalo discussed these two transfers for Natural Guardian. Based on that telephone conversation it was indicated that you would be submitting a withdrawal letter on #78046 and an amended application for #78048.

As of October 19, 2012, the Department has not received this documentation. Please take a moment and submitted the needed documentation, so this matter can be resolved.

Thank you,
