RE: Natural Guardian LLC Applications for Transfer.

Dear Kerrie:

Enclosed for processing you will find a Withdrawal of Application for Transfer No. 78096 of Water Right No. 31-2471. We are also submitting an Amended Application for Transfer No. 78048. With these applications, we are removing the 40 acre former place of use of Water Right No. 31-2471 and combining that water right with the other ten water rights in Transfer No. 78048 to form one combined 934 acre permissible place of use.

If you have any questions or need additional information, please do not hesitate to contact me. We appreciate your assistance with this matter.

Best Regards,

Luke H. Marchant
