RE: Scheduling Field Exam for Water Right Permit No. 63-12600

Dear Mr. Denton:

We are planning to **conduct water right field examinations** in the vicinity of the above-referenced permit **during the week of June 4, 2012**. An examination is needed to verify your water use in order to issue a water right license.

Please be advised that you will need to operate your system under normal operating conditions during the examination. The permit authorizes the diversion from a spring for domestic use.

In order to conduct your exam as efficiently as possible, we ask that you call this office to schedule a day and time convenient for you. **Please call me at 208-334-2190 by May 25, 2012, to conduct the exam during the week of June 4, 2012.** If there is a problem with scheduling or conducting the examination at this time, please let me know so we can reschedule or make other arrangements.

I appreciate your attention to this matter and I look forward to hearing from you.

Sincerely,

A handwritten signature in black ink that reads "Rick Collingwood". The signature is written in a cursive, flowing style with a large, prominent 'R' and 'C'.
