RE: Scheduling Field Exam for Water Right Permit No. 65-13914

Dear Mr. Nuzzo:

We are planning to **conduct water right examinations** in the vicinity of the above-referenced permit **during the weeks of October 1 and October 9, 2012**. An examination is needed to verify your water use in order to issue a water right license.

Please be advised that you will need to operate your system under normal conditions during the examination. The permit authorizes diversion of North Fork Payette River water for irrigation of up to 22 acres.

In order to conduct your exam as efficiently as possible, we ask that you call this office to schedule a day and time convenient for you. **Please call me at 208-334-2190 by October 5, 2012**. If there is a problem with scheduling or conducting the examination at this time, please call and other arrangements can be made. I appreciate your attention in this matter and I look forward to hearing from you.

Sincerely,

Angela M. Grimm, P.G.
Water Resource Agent, Sr.
