Good morning, Amber,

Please publish the enclosed legal notice on the dates indicated, September 20 and 27, 2012, (once a week for two consecutive weekly issues). If you cannot publish the notice on the proposed dates, please contact us immediately.

Please send a proof/preview copy for my review before this goes to press.

An affidavit of publication must be submitted to the Department along with the publication bill. Please send the affidavit and bill to this office before 10/9/2012. Your cooperation is appreciated.

Although we have another legal notice scheduled to publish on the same dates, we would appreciate a separate billing on this legal notice since it is a little different from what we consider our "regular" water right application notices.

Thanks for all your help on these legals.
