Monica,

I apologize for that. I'm not sure how that happened as I have used the newer form (including on another application for Fosters that was submitted at the same time as these). I've attached the requested map. Let me know if you need anything else.

Subject: Foster Land & Cattle Bank lease applications

Hi Luke,

I'm reviewing the Water Supply Bank lease applications for Foster Land & Cattle submitted June 19, 2012, and noticed you used an old version of the application. We are requesting different things on our updated application and using an old application can result in an incomplete filing, as it did in this case.

Applicants are required to submit maps showing the acres to be idled. Do you have those available, and can you submit them?

I've included a PDF copy of the updated lease application for your convenience, but you can always find the updated one on the Water Right Forms portion of the public website, here:
<http://www.idwr.idaho.gov/RulesStatutesForms/WaterRights/WaterRightForms.htm>

Thanks,

Monica
