RE: Scheduling Field Exam for Water Right Permit No. 67-15004

Dear Mr. & Mrs. Raver:

We are planning to **conduct water right field examinations** in the vicinity of the above-referenced permit **during the week of June 11, 2012**. An examination is needed to verify your water use in order to issue a water right license.

Please be advised that you will need to operate your system under normal operating conditions during the examination. The permit authorizes the use of a spring for stock water and stock water storage for up to 300 head of cattle and sheep.

In order to conduct your exam as efficiently as possible, we ask that you call this office to schedule a day and time convenient for you. **Please call me at 208-334-2190 by June 2, 2012, to conduct the exam during the week of June 11, 2012.** If there is a problem with scheduling or conducting the examination at this time, please let me know so we can reschedule or make other arrangements.

I appreciate your attention to this matter and I look forward to hearing from you.

Sincerely,
