RE: Notice of Change of Ownership Water Right No. 75-87B

Dear Mr. and Mrs. Moodie,

The Idaho Department of Water Resources received your request for Change of Ownership on Water Right No. 75-87B.

Our review of your notice indicates that additional information is required before we can process the change. The Department needs evidence of Water Right Ownership, which a copy of a deed or last will and testament. The will should provide the authority for the legal representative of the estate to issue some type of deed to transfer the property. The death certificate you provided does not meet the requirements. You may email the document to me: jean.hersley@idwr.idaho.gov or fax it to 208-287-6700

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

I am returning the death certificate to you. I made a copy, which is all we need.

If you have any questions, please contact Jean Hersley at 208-287-4942.

Sincerely,

A handwritten signature in cursive script that reads "Jean Hersley". The signature is written in dark ink and is positioned above the printed name.
