Re: Notice of Change in Water Rights Ownership

Dear Trish:

Enclosed you will find the originals and one copy each of two Notice of Change in Water Right Ownership forms.

NOC #1 lists Water Rights 37-20757, 37-20762, 37-20769, 37-20776, 37-20783, and 37-20790 which were fully conveyed as part of the sale of Lot 5 of Bellevue Farms Subdivision (see attached Warranty Deed) to Mr. VanDerhoef and Ms. McKay.

Please note that NOC #2 conveys *only a 12.5% interest* in Water Rights 37-37-21844, 37-21861, 37-21878, 37-21895, 37-21912, and 37-21929 – only the 12.5% interest in Lot 13B which belonged to Mr. Feris is being conveyed to the VanDerhoefs (see Warranty Deed). However, the water rights are not to be split. Instead, Mr. VanDerhoef and Ms. McKay are simply to be substituted for Mr. Feris as one of the owners of each water right.

Please give me a call if you have any questions. Also enclosed is our firm's check payable to the Department in the amount of \$300.00 to cover the filing fees.

Please conform the enclosed copies of the Notice of Change forms and return them to me in the postage-prepaid self-addressed envelope I have included for that purpose.

Thank you!

Sincerely yours,
