RE: Notice of Ownership Change for Water Right No. 65-21252

Dear Applicant:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. However, the application has not been processed due to insufficient information.

On August 13, 2012, the Department requested that additional documentation be submitted to our office by October 13, 2012. The documents you were attempting to get were copies of the quitclaim deed from your brother to his daughter, and documentation from his daughter releasing the water rights to you.

Because the Department cannot process the Notice without the proper information, we are returning the application and all attachments. I have requested a refund that will be sent to the payer under separate cover.

Should you have questions, please call this office at (208) 334-2190.

Sincerely,

A handwritten signature in black ink that reads "Rachel Sommer". The signature is written in a cursive, flowing style.
