RE: Change of Address Water Right No.: 75-14302 & 75-14305 (disallowed)

Dear Permit Holder(s):

The Idaho Department of Water Resources (IDWR) has processed your request for an address change for water right no. 75-14302. Water Right No. 75-14305 was disallowed in the Snake River Basin Adjudication process and is no longer a valid water right. A copy of the decree is enclosed.

The process to remove owners from a water right requires an ownership change. Documentation is required to show the person(s) no longer have an interest in the property or water right. The documentation must have the legal description of the property included. I have enclosed a Notice of Change in Water Right Ownership form for your convenience.

If you have any questions regarding this matter, please call me at 208-287-4942.

Sincerely,

A handwritten signature in black ink that reads "Jean Hersley". The signature is written in a cursive, flowing style.
