Re: Lance Funk Rentals

Dear Mrs. Van Bussum:

Attached to this letter are the rental applications for Lance Funk. There are four rental applications for four different wells or farm areas. The four farm areas are the Huse 1 Farm, Huse 2 Farm, NPVR Farm and the Burgermeister Farm. ESPA model analysis for these rental applications is not complete at this time. The model analysis will be performed when it can be determined as to which water rights are available for rent to fulfill these applications.

The Request to Release water rights 35-13608, 35-7632A, 35-7246M, 35-13609 from the Idaho Water Supply Bank are being submitted at this time.

Please copy our office on all correspondence regarding this application.

Sincerely,

Greg Sullivan, M.S., E.I.T.
