RE: Water Right No. 67-14055

Dear Ms. Green:

In response to your letter of September 13, 2012, we did some additional research and reviewed the original claim filed by David and Fern Yoder (the original owners of this right) and found that Rt. 67-10455 is only for one home. In light of this, it is reasonable that the right was decreed to the 2 parcels that were shown. The home that is covered under this right would be the one located on Parcel RP14N01W116077A that you circled on the map. The second parcel that has no water was also listed since it was also owned by the Yoder's. In light of this, there is nothing to split on Right 67-10455. The land owned by Hugo Bravo and Rose Wallace is under Rt. 67-10455 and the ownership change they submitted will be processed without needing to be split. A refund of \$75.00 will be requested from the State Auditor's office to Timberline Title and Escrow since they paid the filing fee.

We also found Rt. 67-13906 in the name of Robert E. Green that is for domestic use for Parcel RP14N01W116060A. Rather than splitting Rt. 67-10455, whoever owns this parcel of land should change the ownership of Rt. 67-13906 to their name.

Water Right No. 67-7839 for Indian Valley Community Church also utilizes this well pursuant to the well agreement between Duane Myers and the Community Church.

We hope this information is satisfactory and corresponds with what you recall about this well. Please contact us within 7 days of the date of this letter if you disagree with any of this information. If we don't hear from you on, or before **October 9, 2012**, we will assume you are in agreement with the above information and proceed with the ownership change for Mr. Bravo and Ms. Wallace.

If you have any questions or concerns, please do not hesitate to contact me at (208)334-2190.

Sincerely,

KAY WALKER
Sr. Water Resource Agent
