RE: Water Right Permit No. 85-15343

Dear Mr. Fagan:

Thank you for your phone call this afternoon to discuss IDWR's request for an additional \$25.00 late fee in connection with the beneficial use examination fee for Permit No. 85-15343. As we discussed, IDWR is requesting the fee pursuant to Beneficial Use Examination Rule 50.01.c (IDAPA 37.03.02.050.01.c). I have enclosed a copy of the rule for your reference. I have also enclosed a receipt for the \$50.00 examination fee you paid in September and a copy of the proof due notice mailed to you in August of 2006. I apologize for not explaining the \$25.00 late fee requirement at the same time the examination fee was requested. It was an oversight.

If you prefer not to pay the \$25.00 late fee, IDWR can issue your water right license for 0.04 cfs. If you want your water right license to authorize the 0.10 cfs reported by IDWR's examiner, the \$25.00 late fee is required.

If IDWR has not received the late fee within 30 days from the date of this letter, your water right license will be issued for 0.04 cfs.

If you have any questions, please call me at 208-287-4947, or email me at shelley.keen@idwr.idaho.gov.

Sincerely,

Shelley W. Keen, Manager
