Re: *Assignment of Permit*

Dear John:

Enclosed please find a signed original of an *Assignment of Permit* assigning applications for Permit Nos. 63-32458 and 63-33463 from W&H Partnership, LLC to W & H Limited Liability Company. Also enclosed is a check in the amount of \$50.00 to cover the filing fee for the *Assignment*.

Application for Permit No. 63-32458 was inadvertently filed in the name of W&H Partnership LLC. When Allen Humphries and I asked SPF to prepare Application for Permit No. 63-42458, they apparently followed the form of the earlier permit application perpetuating the same clerical error. This assignment is intended to confirm that the application is in the name of W & H Limited Liability Company, which is the record owner of the property on which the water sought by both applications would be made appurtenant, and is the correct name of our LLC per our registration with the Idaho Secretary of State.

I will appreciate it if you will arrange to have the Department's records in this matter changed to reflect this correction in the applicant's name.

Sincerely,

Gerald A. Waller
Manager, W & H Limited Liability Company
