Subject: ownership change water right 15-7025

The Idaho Department of Water Resources received your request for an ownership change on water right 15-7025. After reviewing your request, it was discovered the warranty deed you provided has not been signed by the sellers, notarized or recorded with the county. IDWR needs the sign, notarized and recorded copy to complete this request.

You may send this to me through email or you may fax it to: 208-287-6700 attn: Jean Hersley.

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

If you have any questions, please call Jean at 208-287-4942.

Thank you.

Jean Hersley
