RE: Ownership Change for WR No: 51-10323

Mr. Bryan,

Since our discussion on Tuesday, I have come to find that we will indeed need further documentation to complete the change in ownership for Midnight Sun Inc VIII.

The warranty deed submitted does not cover WR No. 51-10323. The quit claim submitted does cover the referenced WR, though the deed does need to be recorded if we are to continue in this process.

I'm sorry for any inconvenience. Please feel free to contact me if you have any questions regarding this matter.

Sincerely,

RE: Ownership Change for WR No: 51-10323

Mr. Bryan,

Thank you for submitting the Notice of Change of Water Right Ownership.

Our review of your notice indicates that additional documentation is required before we can process the change. The documentation required is a copy of the **Recorded** quitclaim deed you submitted.

The Department will hold any action on your notice pending receipt of the necessary information.

Thank you for patience and cooperation in this matter. Please feel free to contact me if you have any questions regarding this matter.
