Re: 36-16925

Dear Mrs. Van Bussum:

Transfer 77709 has been approved and successfully transferred 2.0 acres of irrigation water to commercial use. Water right 36-16925 is currently being beneficially used as commercial water and 36-16925 is no longer needed to be leased to the Idaho Water Supply Bank. Attached to this letter is a request to release 36-16925 from the Idaho Water Supply Bank.

Sincerely,

Greg Sullivan, M.S., E.I.T.
