RE: Scheduling Field Exam for Water Right Permit No. 67-14424

Dear Mr. & Mrs. Fisher:

We are planning to **conduct water right field examinations** in the vicinity of the above-referenced permit **during the week of June 4, 2012**. An examination is needed to verify your water use in order to issue a water right license.

Please be advised that you will need to operate your system under normal operating conditions during the examination. The permit authorizes the use of ground water for irrigation of up to 42.1 acres and stock water for up to 20 head of cattle and up to 80 head of sheep.

In order to conduct your exam as efficiently as possible, we ask that you call this office to schedule a day and time convenient for you. **Please call me at 208-334-2190 by May 30, 2012, to conduct the exam during the week of June 4, 2012.** If there is a problem with scheduling or conducting the examination at this time, please let me know so we can reschedule or make other arrangements.

I appreciate your attention to this matter and I look forward to hearing from you.

Sincerely,

Rick Collingwood, P.E.
Water Resource Agent, Sr.
